

Supplementary Materials Objection Form Rapid City Area Schools

The Rapid City Area School District encourages students to read, view, and listen to a variety of supplementary materials. All supplementary materials have been reviewed and approved by practicing teachers who consider the materials to be valuable and pertinent to the themes and ideas addressed within the content of the class. Because some materials contain content of a sensitive nature, a parent may request that an alternative assignment/selection be offered to the student.

Questions regarding the approved supplementary materials used should be directed to the individual classroom teacher and/or building principal. This form must be signed and dated by the parent/guardian and returned to the teacher if the parent is requesting an alternative assignment for the student.

I **do not** wish (student name) _____ to
