

PERSONAL TRANSFERS & OPEN ENROLLMENT

Personal Transfer requests allow residents of the Rapid City Area School District to transfer their children to another school within the district. Applications must be filed with the Assistant Superintendent for Educational Services. Applications will be reviewed in the order received. Approval is subject to program and/or space availability.

Under the Open Enrollment law, the Rapid City Area Schools accepts students who are legal residents of another South Dakota district provided they can do so without adversely affecting the quality of the educational program. Approval is subject to program and/or space availability. Contact the Rapid City Area Schools Educational Services Office at 394-5147 about open enrollment.

Students who participate in any activity sponsored by the South Dakota High School Activities Association (SDHSAA) establish their eligibility to participate at the first high school they attend. If they wish to transfer to another high school, they should check with the Activities Director and SDHSAA to avoid becoming ineligible to participate. Form is available at the Educational Services Office, City/School Administration Center.
