

Dual Enrollment

Western Dakota Tech

Dual Enrollment allows high school students to enroll in courses at Western Dakota Tech and earn high school and WDT credit. All courses are free for Rapid City School District students. Completing Dual Enrollment credits makes it faster and less expensive to earn a WDT diploma or degree. WDT also offers some courses that can be transferred to any South Dakota public university.

Any individual enrolled in a Rapid City Area Schools (RCAS) 51-4 high school and is at least a junior in good academic standing can enroll in Dual Enrollment. Books are furnished at no cost to the student.

Admissions Process:

Students interested in Dual Enrollment courses should contact their high school counselor or registrar for additional information and about their eligibility to enroll.

Students then complete the WDT Admissions process. Students can start by completing the admissions application at <https://www.wdt.edu/assets/docs/uploads/dual-enrollment-common-application-fall-2016.pdf> Students must:

- Provide high school transcripts
- Submit proof of MMR vaccinations (on campus students only)
- Complete the Accuplacer test

WDT's Dual Enrollment webpage includes the latest and most detailed information about the program. Visit it at <https://www.wdt.edu/future-students/dual-enrollment/>

Questions or clarifications? Please contact high school counselors/registrars or Nora Leinen, WDT Assistant Director for Dual Enrollment and Offsite Services, at (605) 718-2541 or Nora.Leinen@wdt.edu

General Information:

- Attendance policies in individual classes are listed on the class syllabus
- Parents need not call WDT to excuse students
- Dual Enrollment courses follow the WDT academic calendar
- WDT is a laptop campus. Students may be expected to bring a laptop to classes at WDT or have access outside of class
- Students enrolled in Dual Enrollment classes at WDT will follow all WDT and RCAS policies

High School Graduation Requirement Information from SD Department of Education:

Students must select from a menu of options available for 1 credit. That menu includes:

- Approved career and technical education courses, or
- world languages, or
- capstone experience or service learning

Dual Enrollment Policies:

Students must provide a copy of their dual enrollment course schedule to the high school counselor prior to the beginning of the semester. Students must agree and complete the appropriate paperwork to allow the institution to release information to the Rapid City Area School District and State of South Dakota regarding their dual credit enrollment.

Students understand that there is a possibility that their future University or Technical Institute may not accept their dual credit course credits. It is the student's responsibility to check with any postsecondary institution they are considering attending to inquire about transfer of credit.

Students understand that dual credit enrollment grades will be entered onto their high school transcript and will be utilized in calculating GPA, class rank and factored into eligibility requirements for athletics and activities.

Students understand that they are fully responsible for completing the requirements of all dual credit courses. This would include attending dual credit classes even when the local high school classes are not in session.

Students understand that there is a possibility that their eligibility to obtain Student Federal Financial Aid in the future may be impacted by their participation in dual credit coursework.

Dual Credit coursework could have an impact on eligibility for students that intend to become certified by NCAA Clearinghouse. Students are highly encouraged to visit the NCAA website: http://web3.ncaa.org/ECWR2/NCAA_EMS/NCAA_EMS.html# or contact the Eligibility Center at 877-262-1492 to ensure eligibility is not compromised.
