Kindergarten screening is a district-wide commitment toward improving early identification and remediation of potential learning problems. Kindergarten registrations will be taken on a first-come, first-served basis during screening. If enrollment at a school exceeds class size maximums, children will be reassigned to the nearest school with available space. Kindergarten children in the Rapid City Area Schools are screened in order for teachers to discover each child's unique needs and talents.

**Your child's registration must be finalized on the regularly scheduled registration day in August (date to be announced later). If a parent comes to the Spring pre-registration but does not finalize registration (in person or by phone), then a child may lose his or her spot in kindergarten.**
