*Unsatisfactory Items

In the event items are determined to be unsatisfactory by the building staff; contact the Purchasing Office in writing immediately; do not wait until the end of the school year. We let bids at various times during the school year to replenish stock as required. It is also important to give details as to why the item is not acceptable so we can improve our specifications.

Below you will find a partial list of items stocked in the warehouse and the accounts to which they should be charged. Always refer to your chart of accounts or call the Purchasing Office you have a question.
