

NEWS MEDIA SERVICES AT BOARD MEETINGS

The board believes that one of the paramount responsibilities of a board is to keep the public informed of its actions. Consequently, the local news media representatives shall be welcome to attend all regular, special and annual meetings of the board.

A link to the online agenda of all official board meetings will be available to members of the working news media. In the event that representatives of the news media are unable to attend a meeting, they can review the minutes at the location listed below or the BOE video that is available on the Board of Education home page. Any other requests regarding the meeting should be made through the superintendent.

All reports approved by the board will be a matter of official record and will be posted to the district website at: www.rcas.org – Our District – Board of Education – Board of Education Minutes.

When individual board members speak to the media, they represent only their own opinion unless specifically delegated to represent the board.
