

BOARD POLICY DEVELOPMENT

The board reserves to itself the function of providing guides for the discretionary action of those to whom it delegates authority. These guides for discretionary action constitute the policies governing the operation of the district. They will be recorded in writing.

The formulation and adoption of these policies will constitute the basic method by which the board exercises its leadership in the operation of the school system. The study and evaluation of reports concerning the execution of its written policies will constitute the basic method by which the board exercises its control over the operation of the school system.

The formal adoption of policies will be recorded in the minutes of the board. Only those written statements so adopted and so recorded will be regarded as official board policy.
