

## **POLICY REVIEW AND EVALUATION**

In an effort to keep its written policies up to date so that they may be used consistently as a basis for board action and administrative decision, the board will review its policies on a continuing basis.

The board will evaluate how the policies have been executed by the school staff and weigh the results. It will rely on the school staff, students and the community for providing evidence of the effect of the policies which it has adopted.

The superintendent is given the continuing commission of calling to the board's attention all policies that are out of date or appear to need revision for other reasons. The Policy Committee meets monthly with the Superintendent for this purpose.

The district's online policy section can be located at: [www.rcas.org](http://www.rcas.org) – Our District – Superintendent of Schools – Policies and Procedures.
