

SCHOOL BOARD CONFERENCES, CONVENTIONS, AND WORKSHOPS

The board encourages the participation of its members at appropriate conferences, workshops, conventions, seminars and similar meetings. The board will have the power to authorize board members to attend such meetings at district expense.

Funds for participation at such meetings will be budgeted for on an annual basis. Reimbursement to board members for their travel expenses will be in accord with the travel expense policy established for board members or, where not specifically stated, in accord with the expense policy for district staff members.

When an approved meeting is not attended by the full board, those who do participate will be requested to share information, recommendations and materials acquired at the meeting.
