

TUTORING FOR PAY

Public school buildings may not be used for private teaching for which tuition charge is made, either by staff members employed by the district or by any other outside agencies or persons, without the express permission of the superintendent.

To assure all students reasonable instructional assistance without charge from their own teachers, and to avoid placing a teacher in a position where he may have a conflict of interest, teachers will not be permitted to receive money for tutoring any student they have in class or upon whose evaluation or assignment they will be called upon to pass.

Teachers may not tutor any student for pay during their regular working hours or on school premises.
