

### **MAKE-UP OPPORTUNITIES**

- I. Students are expected to make up the work missed for all absences. The student will have a reasonable length of time to make up the work. If the work is not completed no grade or credit can be given for the course. A student with an unexcused absence will receive a zero for any classwork missed. Incompletes carried beyond the end of either semester will be changed to a failure for the course except in those cases in which the absence was excused because of illness or through a prearranged excused absence during the last two weeks of a semester. In these cases, individual arrangements for completion of work may be made through the teacher or the principal.
