

Roundtable

The Roundtable provides a forum to bring up “hot topics” that need a sounding board. This forum is comprised of board members, administrators, and facilitators who can provide feedback and direction.

We have changed the format so that the first half hour (4:00-4:30) is reserved for topics that have been generated by **you** prior to the forum. We will canvass the district for suggested topics.

The second half hour (4:30-5:00) will be for those spontaneous topics that are brought forth by those individuals attending the forum. The Roundtable meetings will take place at CSAC 3 East.
