RE: Annual Asbestos Notification

In accordance with the AHERA (Asbestos Hazard Emergency Response Act), Section 763.84 General Local Education Agency Responsibilities under Section c, "The LEA (Local Education Agency) insures that workers and building occupants or their legal guardians are informed about inspections, response actions, post response action activities including periodic reinspection and surveillance activities that are planned or in progress.

No major asbestos projects were conducted in 2014 or are anticipated in 2015. The mandatory three year reinspection was conducted in 2014 and no changes in the condition of asbestos containing materials were noted at any of the school buildings.

Operations and maintenance activities are conducted on a regular basis and always in compliance with all Local, State, Federal regulations concerning asbestos in schools. Periodic inspections are conducted every six months to insure asbestos containing building materials are not disturbed and remain in a stable condition.

Complete documentation on all projects at all buildings is available in the form of the Asbestos Management Plan available at the Facilities Management Maintenance Office located at 3715 Cambell Street, Rapid City, SD 57701. (605-394-4081)

TO KEEP THE RAPID CITY AREA SCHOOL DISTRICT IN COMPLIANCE WITH FEDERAL AND STATE REGULATIONS, A COPY OF THIS LETTER IS ALSO AVAILABLE IN THE "NOTIFICATION" SECTION OF THE ASBESTOS MANAGEMENT PLAN BINDER LOCATED IN THE ADMINISTRATION OFFICE OF EACH SCHOOL.
