

# **CLEP – College Level Examination Program**

Students may receive credit using the College Level Examination Program (CLEP) exam. (District code: IGCD). Students should contact the college or university of interest for specific information on their CLEP exams.

The College-Level Examination Program® (CLEP) gives students the opportunity to receive dual credit for what they already know by earning qualifying scores on any of 33 examinations. Students can earn credit for knowledge acquired through independent study, prior course work, on-the-job training, professional development, cultural pursuits, or internships. For information please refer to this website: <http://www.collegeboard.org/student/testing/lep/about.html>
