Plums are the fruit of the month. One medium plum is about a ½ cup of fruit. Plums are a good source of vitamin C, which helps your body heal cuts and wounds and it helps your body maintain healthy gums. Blend fresh or frozen plums with low-fat milk and ice.

Questions & Answers

Q: My student wants to bring a lunch from home and would like to buy a milk at school. How do I do that?

A: Because students will no longer have lunch cards, milk purchases will be cash only. Students will need to bring 55¢ cash to cover the cost of a milk.

Q: If my student currently has a balance in their lunch account, can I use that money to pay for milk purchases?

A: No, because of the new meal program sales must be cash only. Please request a refund. A refund can be completed online at www.rcas.org, or you can stop down to the Food Service Office at 300 6th Street to complete the form. It will take 2-3 weeks to process the refund. Amounts under \$50 must be picked up from the Business Office.
