

POLICY IMPLEMENTATION

The superintendent has responsibility for carrying out, through supplementary regulations and directives, the policies and regulations approved by the board.

The policies developed by the board, and the regulations and directives developed to implement policy, are designed to achieve an effective and efficient school system. All board employees and students are expected to abide by them.

Administrators and supervisors are responsible for informing staff members in their schools, departments or units of existing policies and regulations and for seeing that they are implemented in the spirit intended. Insubordination and/or willful neglect of duty is considered cause for termination of employment.
